

PLANTING PRIDE IN COUNTRYSIDE

Countryside Green-up Day

Date: Saturday, May 1, 2010

Place: Countryside Clubhouse

Time: 9:00am—Noon

In addition to demonstrations, gardening and other landscaping information from various organizations and businesses, Countryside HOA is offering **RED** annuals for sale at very competitive prices during the 1st Annual Countryside Green-Up Day.

Westfield In Bloom is encouraging organizations and residents to get in the spirit of community pride by embracing the **RED** theme color as the main plant accent in borders and gardens this summer. Join other residents of Countryside as we prepare to roll out the red carpet in celebration of this event.

Supply is limited, so if you would like to pre-order your flowers use the form on the next page. Pre-orders must be received and paid for by March 21st to guarantee arrival on May 1st.
